
ST ANDREWS WEST

AN **OPEN INVITATION** TO OUR PUBLIC CONSULTATION EVENTS

St Andrews West is a proposed development in St Andrews on land at North Haugh, Northbank and land between the Strathkinness High and Low Roads.

The development includes up to 1000 new homes as well as University, business, employment, retail, education, community, open space and associated infrastructure.

We have pleasure in inviting you to attend our public consultation events at which St Andrews West LLP representatives will be present to discuss the proposals and capture your views on the development.

This is your opportunity to shape an exciting development that will deliver a high quality addition to this historic town.
